

I'm writing in regards to K-Love Radio Station. I Love the K-Love Radio Station and I listen to it every waking minute - at home, in the car and at work. My life has changed because of K-Love and I would be devastated if I couldn't listen to them anymore. My whole family listens to it. My 6yr.old daughter knows just about every song they play. I love that they play all music and only have some christian commercials. I personally support them financially and so does my business. I feel K-Love has effected many peoples lives and would be terrible if they couldn't continue to reach people through there broadcast. I love listening to John and Sherrie in the morning. They brighten my day every morning. Please don't take K-Love radio station off the air.

God Bless,
